Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 10 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Very windy overnight. Windy with blustery showers on Thursday.

This Evening and Tonight:
Very windy overnight with gales in places, especially around the coast. Residual rain clearing east, soon followed by blustery showers. These turning heavier and more frequent later in the night, with a band of heavy rain approaching the west. Minimum temperature 7 deg C (45 deg F).

Thursday:
Continuing windy. A band of heavy rain at first quickly clearing east, followed by occasional blustery showers. However, there will also be sunny spells in-between. Feeling on the chilly side. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Friday and Saturday, windy with sunny spells and heavy blustery showers. Some heavier rain early hours of Saturday. Sunday, drier and brighter before rain arrives during the evening. Still breezy.
